Puppet Show

We will be having a visit from the puppeteer Chris Covington on Monday. There will be 2 showings one for the whole school and then a second showing at 10.15a.m for pre-school groups and any other pre-school children. If you have a pre-school child including a Duckling you are welcome to bring them along and stay with them for the 45 minute show. Please come to the main entrance hall at 10.10am

You will have noticed that the school gates are closed before and after school. This decision was made to ensure the health and safety of the children at these busy times. Parents and children often walk and drive through the car park and we have had several near misses recently. I am sure you will agree that the health and safety of the children is paramount.

You will see from the dates list that Parent Consultations are on Tuesday 7th and Wednesday 8th February. The lists will be available in the main reception from Monday morning. If you are unable to get in to school, please ring the office for a suitable appointment.
