

Fantastic!

WOW!

Excellent!

We want to hear about your child's special achievements at home!

It is important to share and celebrate with your children when they accomplish something special or have some exciting news. It would be fantastic for the children to share their news at Pre-School.

Has your child counted to 10, 20 or beyond? Have they got a new bike? Did they enjoy singing a nursery rhyme or share a favourite book with you? Did you visit an exciting place? or have they got a new sibling?

Let the children celebrate by putting their WOW moments up on the display board for everyone to see. Please complete an "At home I....." form and help your child be proud of something special!

Spare copies are available on the red table outside the main doors.

Help yourself!

Great Job!

Brilliant!
