- The email address you enter is only used to receive a confirmation of your appointment. If the system gives you an error when you log in, it will not be the email address that is the problem.
- If you have several children to make bookings for, the children's classes should appear on the screen in columns so that you can book them at convenient times.

If for any reason you are unable to sign up, please contact the office by telephone or email and they will make the appointment on your behalf.
