

4th September 2026

Dear Parents/Carers of Eagles and Falcons,

RE: Disclosing Tablets

On Friday 11th September in Hawks and Ospreys, we are learning about teeth in our Science Lesson. The children will be given the opportunity to chew a disclosing tablet that will highlight any plaque on their teeth and illustrate the importance of good dental hygiene. We will study each other's teeth using mirrors and then clean our teeth to remove the colouring.

To enable this activity to be completed, please send in your child's toothbrush and toothpaste in a sealed bag with a name on the day and give consent via Arbor if you are happy for your child to take part.

If you have any questions, please speak to your child's teacher.

Yours sincerely,

Mrs Turner and Miss Peett

Head Teacher:
Mrs Rebecca Clarke

Chair of Governors:
Mr Lewis Wright
