Greenleas School

9th October 2026

KS2 Cluster Festival

Dear Parents

Falcons class will be taking part in the Cluster Autumn Sports event on Thursday 5th November 2026 at Linslade Middle School. The children will take part in different sporting events and the focus will be on Social Me: Developing teamwork, cooperation and leadership. This is not a competitive or team sport event. This is a great opportunity to support the children's transition to middle school, as well as helping them to meet middle school staff and opportunities, such as sports leaders, they can get involved in when at middle school.

The children will be transported to the event via coach organised by the Leighton Linslade Schools partnership. The coach will pick us up at approximately 1.30pm. The event is 2-4pm. **Your child will need to be collected from Linslade Middle School at 4.00pm prompt.** We have been advised that where possible Linslade ask parents to walk and collect to reduce traffic around the area.

Please ensure your child has appropriate PE kit in school to change into as the event is outside. Should there be bad weather the event will be cancelled and rearranged. You will be contacted on the day via the gateway if this is the case. Please provide your child with a named water bottle.

Please log into your parent gateway account where you will see the event listed under your child's name. You will then need to provide consent for your child to participate by ticking the consent box. You will also be required to provide an emergency contact telephone number and confirm who will be collecting your child and provide any medical details we need to be aware of (please ensure if your child has asthma that they have their inhaler with them).

If you have any further questions, please do not hesitate to contact me through the school office.

Thank You
