Dear Parents and Carers of Greenleas School,

Thank you for your contributions so far to our annual Harvest Food drive. We are starting to see a growing mountain of tinned food ready to hand over to Leighton Linslade helpers' Food Bank. Please continue to bring in your donations if you would like to do so.

Today I had lunch with children from Key Stage 2 at Derwent Road who were all very excited and busy trying to make one another laugh with the result that Emily, Ada, Freddie, William, Chloe, Leo C, Darren and I were the last people eating in the lunch hall when everybody else had gone! Over our roast dinner and sandwiches, we chatted about the strangest place we had ever been stuck (in field where the mud sucked our wellies off) and how it was tricky when we had to turn the living room into a kitchen because we were having work done.

This week I had hot chocolate with the unsung hero of Hawks, Rebecca. We had a lovely chat in my office about our shared hobbies (3D printing), and also where to buy Bubble Tea and 3D printed dragons in Leighton Buzzard. Rebecca told me all about her trip to Sardinia in the Summer, and what she likes to do when she is on holiday.

This week's writing is from Anya from Year 4 at Kestrel Way.

The recruitment process has commenced for my successor. Governors have been meeting to scope out the role, advertise and then shortlist suitable candidates. The plan is to hold an assessment day before we break up for the Christmas holidays so that there is enough time for notice to be given etc.

What parents need to know about AGE RATINGS

bbfc **PEGI**

If you have children, it is understandable to have concerns about the films and TV shows they watch, as well as the games they play. In this guide, we take a look at the two official ways you can assess if a particular title is suitable for your child. Both the BBFC and PEGI have search facilities on their websites that can be used to look up individual titles so you can check their ratings.

RATINGS FOR FILMS, TV & MUSIC VIDEOS

Since 1912, the BBFC (British Board of Film Classification) has informed UK residents of the age suitability of films, TV and music videos - providing parents with the information needed to assess whether or not it is appropriate for their child's age. This applies to cinema releases, DVDs and streaming video services such as Netflix.

WHAT ARE THE BBFC RATINGS?

BBFC ratings are broken down into seven age categories:

U Universal, suitable for all ages	PG Parental Guidance required	12 Suitable for people aged 12 and over	12A Suitable for people aged 12 and over, provided they are accompanied by an adult
15 Suitable for people aged 15 and over	18 Suitable for people aged 18 and over	R18 Adult content only available in specially licensed cinemas and specialist retailers	

WHAT ELSE CAN BBFC REVEAL?

Accompanied with the age suitability rating, BBFC also provide an additional warning regarding the content and what to expect, such as swearing, sexual content, violence and anything you may consider to be inappropriate for your child. In addition to this, the content is also rated in three levels: frequent, mild or strong.

LIMITATIONS OF BBFC RATINGS

It's important to note that there is no obligation on streaming video services to use or display BBFC ratings. Due to this, we advise that you check the rating online before your child streams the content. It may also be a good idea to watch the content first yourself or discuss it with other parents to help you decide whether or not it is suitable for your child.

RATINGS FOR GAMES

PEGI (Pan European Game Information) is a content rating system that ensures all video games are labelled with a minimum age recommendation. These age recommendations are based on the types of content featured within a game. With each game, PEGI also provide a content descriptor that indicates the potential issues and concerns, including sex, violence, bad language and drugs.

WHAT ARE THE PEGI RATINGS?

PEGI ratings are split into age restriction and content descriptors. Additional 'content descriptors' help parents and children to understand the type of content featured within a particular game, including sex, fear, bad language, discrimination, gambling, drugs, violence, and in-game purchases. In combination, the two different ratings can provide a good level of information to help make informed decisions regarding the suitability for your child.

PEGI age ratings are broken down into five categories:

3 www.pegi.info	7 www.pegi.info	12 www.pegi.info	16 www.pegi.info	18 www.pegi.info
--	--	---	---	---

PEGI content descriptors are broken down into eight categories:

--	--	--	--	--	--	--	--

LIMITATIONS OF PEGI RATINGS

It's possible for young people to buy games online without a required proof of age, opening them up to age-inappropriate content without you knowing. We advise that you regularly monitor your child's gaming activities and maintain a honest and healthy dialogue with them about the online world.

PARENTAL CONTROLS

It is a good idea to put in place parental controls for all online accounts which your child may use to purchase or download online games e.g. The App Store, Google Play Store, PlayStation Store and Microsoft Xbox Store etc.

This week Tilly, Monroe, Mia, Jasper and Conall from Year 3 have interviewed children across the school to find out what they have been learning about. In Reception the children have been learning to write their letters and exploring different stories. In Year 1 they are learning about the United Kingdom and exploring the different countries. In Year 2 they are practicing their times tables and looking forward to using TT Rockstars. They have also been enjoying the Class Reader (George's Marvelous Medicine). They have been painting different animals in the style of Tinga Tinga. In Year 4 they have been learning some tricky maths – subtracting with renaming! It has been a very busy week!

CHRISTMAS RAFFLE DRAW • FRIDAY 27 NOVEMBER 2026

Could your business donate a prize for the Greenleas Kestrel Way PTA Christmas Raffle? Every gift helps us raise funds for the children and gives our school and wider community something exciting to win. This is Greenleas first main raffle for several years, so I'd love to be able to set it off with a bang!

|---|---|
| ✓ Service or gift vouchers for your company | ✓ Hampers, Gift sets or a bottle of Whiskey |
| ✓ Products you make or sell | ✓ Experiences or activities |

Every donation, large or small, makes a difference!

We are being organised and compiling our prize list early. We are looking for one local business to donate a standout prize, such as a games console, annual zoo membership, high-value voucher or even a cash prize. This can be a tax deductible expense too! WIN WIN!!!
