October 2026

Dear Parents and Carers

During the coming weeks you will have the opportunity to visit each of the four middle schools in Leighton Buzzard and Linslade. The schools are continuing to work together to create a welcoming, supportive and inspiring environment for their students and these open sessions will provide an opportunity for you to see what is being achieved.

We hope that you will visit more than one school. Each has its own distinctive character and you will be able to judge which is most suited to the needs of your child.

It is important that children's education is not disrupted and, as Middle School Headteachers, we would recommend that the opportunities to visit our schools during the school day are mainly for parents and carers.

The school's opening times can be found on the following page.

If you would like to visit a particular school but are not free on these dates, please do not hesitate to contact them for a visit.
