

Friday 21st November 2025

Dear Parents and Carers,

In Year One this half term we have been learning about important people from the past in our history lessons. Our focus has been nurses and the important roles they have played in helping improve the care sick and injured people receive today. We have learnt about Florence Nightingale, Mary Seacole and Edith Cavell. For our final lesson we are hoping to compare nursing in the past to nursing today.

We are asking the whole school community if there are any parents who are nurses and would be willing to come and speak to the children in Doves and Robins. It only needs to be a 10-15 minute talk about their job and then time to answer any questions the children may have.

If you would be able to help could you please let one of the Year One teachers know or email the office with contact details so that one of the Year One team can get in touch to arrange a convenient time.

The children have really enjoyed our topic about nurses and nursing and we are looking forward to welcoming a nurse from our school community into our class rooms to help enhance the children's learning.

We appreciate your help and look forward to hearing from any willing volunteers.

Kind regards

Year One Team.

Head Teacher:
Mrs Rebecca Clarke

Chair of Governors:
Mr Lewis Wright
