

12<sup>th</sup> September 2025

Dear Parents/Carers,

**Disclosing Tablets**

On Wednesday 17th September 2025 we are learning about teeth in our Science Lesson. The children will be given the opportunity to chew a disclosing tablet that will highlight any plaque on their teeth and illustrate the importance of good dental hygiene. We will study each other's teeth using mirrors and then clean our teeth to remove the colouring.

To enable this activity to be completed, please send in your child's toothbrush and toothpaste in a sealed bag with their name on the date above. Please confirm your child is able to take part by giving consent on the gateway app.

If you have any questions, please speak to your child's teacher.

Yours sincerely,

Mrs Turner and Miss Peett

**Head Teacher:**  
Mrs Rebecca Clarke

**Chair of Governors:**  
Mr Lewis Wright
