Dear Parents/ Guardians,

On Wednesday 19th November, Year 2 has an exciting event happening in school. Linking with our history learning about the 'Great Fire of London', we are going to be welcoming visitors from 'Freshwater Theatre Company' who will be running a historical workshop. As part of the day the children will be participating in a fascinating drama workshop about London's disastrous fire and its key locations and characters.

When organising school visitors to enrich the curriculum and the educational experience of the children, the school invites parents to contribute to the cost. All contributions are voluntary. The event will include children whose parents have not paid any contribution, and we do not treat these children differently from any others.

We are asking parents for a voluntary contribution of £7.91 towards that cost. These are the experiences that children remember, and they learn so much using resources that we do not have available. To make your voluntary contribution, please do this via the gateway app.

The workshops will take place during the school day. The children need to wear their usual school uniform for this event.

Yours faithfully,

The Year 2 Team
